Author's Release and Permission to Publish

I am the author of the article entitled:

This is my original work and I have not sold or otherwise assigned the copyright.
It has not been previously published and has not been submitted for consideration to other
publishers except as follows (list any newspapers, magazines, journals or Web sites):

I hereby grant permission to Neubauer & Associates, Inc. ("Publisher") to publish this article in *Plaintiff* magazine, to make and distribute reprints of such pages as the article is published on, to distribute the article by email or social media, and to post an electronic copy of the article on Publisher's website www.plaintiffmagazine.com. I agree that the article may be edited by the Publisher. I understand that if posted on Publisher's website, this article may become indexed by and therefore searchable through Web search engines. This permission to publish shall be considered irrevocable. I have not been promised any payment or other consideration for this article except as noted below.

Copyright

If I am paid or offered other material inducement to write the article then copyright passes to Publisher upon payment, otherwise I shall retain copyright to the article but I agree that, except as listed above, I have not granted and will not grant publication rights to others until after the article has first been published in *Plaintiff*.
